Pourquoi le M.10 est stratégique aujourd'hui

– Zéro carburant

– Zéro émission

– Silence total

– Maintenance réduite

– Idéal pour zones protégées et ports à réglementation environnementale

– Image premium et innovante

C'est un bateau pensé pour les 10 à 20 prochaines années, pas pour le marché d'hier.

Why the M.10 is strategic today

- Zero fuel
- Zero emissions
- Total silence
- Reduced maintenance
- Ideal for protected areas and eco-regulated marinas
- Premium, forward-looking image

A boat designed for the next 10–20 years, not for yesterday's market.
